FEDERAL AVIATION ADMINISTRATION - PARTS MANUFACTURER APPROVAL

Dear Mr. McCormick:

In accordance with the provisions of Title 14 Code of Federal Regulations (14 CFR), part 21, *Certification Procedures for Products, Articles and Parts*, subpart K, the FAA has found that the design data, based on STC # ST11282DS submitted with your letter dated January 26, 2022, meet the airworthiness requirements of the regulations applicable to the products on which the articles are to be installed. Additionally, the FAA has determined that Cabin Management Solutions, has established the quality system required by § 21.307 at 2971 Hawthorne Drive, Suite 302, Conroe, Texas, 77301. Accordingly, Parts Manufacturer Approval (PMA) is hereby granted for production of the replacement and/or modification articles listed in the enclosed supplement number 3.

You are reminded that the provisions of 14 CFR parts 21 and 45, noted in our PMA letter of approval dated September 11, 2020, also apply to the enclosed PMA Listing-Supplement number 3. The enclosed supplement should be retained with the original PMA letter as evidence of approval to produce the articles concerned.

Sincerely,

Ford J Lauer III
Manager, San Antonio MIDO Section
